

Access for Utility work in road right-of-way

The following information must be included in your application request for work in the town right-of-way:

- Supervisor's name/phone #
- Engineer's name/phone #
- Project manager name/phone #
- Legible accurate drawings that include distance from centerline for buried/bored lines

Please also note that all culverts & driveways must be bored unless otherwise approved by the Town Board.

Also, any road damage that is caused will be your responsibility and will be billed to you from the Town.
